

CERTIFICATE NO.: P000437227-001

Kiwa Sweden AB certifies that the company  
**WIPAB, Wermlands Industriplåt AB**  
**Timmermansgatan 3, 664 34 Grums, Sweden**

Has fulfilled the requirements of the quality assurance system and processes for forming and welding of materials according to the **European Pressure Equipment Directive 2014/68/EU**.

The assessment is carried out in connection with the certified quality system and it is based on the **Pressure Equipment Directive 2014/68/EU, Annex 1, 4.3**, and on the **standard EN 764-5:2014**.

The Scope of the certificate.

- **Steel tubes and pipe fittings according to customer specifications and Butt-welded tubes  $\geq$ DN150 according to SS-EN 10296-2\*.**
- **Reducers  $\geq$ DN15 according to SS-EN 10253-3\* and SS-EN 10253-4.**
- **Tees  $\geq$ DN80 according to SS-EN 10253-3\* and SS-EN 10253-4.**
- **Segment elbows according to customer specifications.**
- **Materials in accordance with CEN ISO/TR 15608:2017 Groups 8.1, 10.1 and 10.2.**

The use of the materials in pressure bearing components in according to Directive 2014/68/EU is bound to the publication of Harmonized European Standards or to the qualification by a European material approval or to the Particular Material Appraisal (PMA).

\*Regarding materials marked above require Particular Material Appraisal (PMA). For pressure equipment in categories III and IV, a specific assessment of the particular material appraisal shall be performed by the notified body in charge of conformity assessment procedures for the pressure equipment.

**Date of issue 2025-11-21 (first issue 2025-08-28). The certificate is valid until 2028-08-28.**

The Manufacturer must inform Kiwa Sweden AB of any plan for substantial changes to the Quality System in order to examine whether this certificate remains valid. Periodical audits as required and will be held to verify the validity of this certificate.
